Product Overview

InflammEX aids in the soothing of the nerve sheaths, muscles, tendons, ligament tissues, bowel tissues and stomach tissues.

Co-Q10 is a vitamin-like compound also known as Ubiquinone. Essential in cells and required for mitochondria energy production. Research indicates that Co-Q10 supports healthy cardiovascular and immune system functions as well.

Bifidophilus Contains potent concentrations of Acidophilus and Bifidus Flora. Proper balance of bowel flora is crucial for support of the immune system response. To be taken as an aid to maintain an abundance of healthy bowel flora in the intestinal tract.

EB Digestive Besides Acidophilus and Bifidus, we have added the pro-biotics: Bromelain and Papain. Furthermore, it is our highest potency available. This provides an enhanced superior digestive aid complex. Designed for individuals with severe cases of poor digestion, excessive gas, other bowel ailments, and for general health improvement.
